Hand-picked grapes in small, 10 kg cases from the estate blocks. A small percentage of the grapes were harvested with noble root. Fermented in 25 Hl and 50 Hl small tanks at low temperatures.

VARIETIES

85% Riesling, 15% Albariño

NUMBER OF BOTTLES

35.000 bottles of 75 cl
250 bottles of 1,5 L

TECHNICAL DATA

Alcohol: 11,50 % vol.
pH: 2,95
Total acidity: 6 g/l

D.O. Costers del Segre

Ekam means 'unity' in Sanskrit.

This unity is the entity from which the universe is formed.

TASTING NOTES

COLOR

Light yellow.

AROMA

Notes of Orellana and hints of grapefruit.

PALATE

Very elegant entrance, with notes of dry peach and a very fresh finish.

COMMENTS

This wine will develop the cold weather Riesling complexity while ageing in the bottle, always well integrated with the high acidity and long glycerine characteristics from botrytis wine. It has a significant ageing potential.

“The search for natural acidity is intelligently realized in this wine. Exceptional ageing potential makes this a wonderful wine to keep in your collection. The balanced evolution of this wine brings forward light kerosene notes in harmony with citric and mineral elements”.
